GENERAL INFO

Recent college graduate interested in widening her horizons. Planning to pursue a degree in Computer Science in the near future and would love to be given the opportunity to expand my knowledge. I am motivated, optimistic, and am always ready to learn new things. I work well individually, as well as in a team setting. Moreover, I am bilingual, being fluent in both English and Tamil.

MY QUALIFICATIONS

- Achieved straight A*s in IGCSE examinations
- Graduated in the top 3% of my cohort in my pre-university studies (AUSMAT), having scored an ATAR of 97.65
- Won the silver medal in the Beaver Computational Thinking Competition
